

GOVERNMENT OF KERALA.

Transport (B) Department

CIRCULAR.

No 35519/B2/95/TRAN

Thiruvananthapuram, 25th October 97.

- Sub : Motor Vehicles – Exhibition of name boards in motor vehicles owned by Government Departments/Public Sector Undertakings- further instructions – Issued.
- Ref : 1 Government Circular No.5280/M2/94/PW&T dated: 25-02-1994
: 2 Government Letter No. 19580/M2/95/PW&T dated: 23-06-1995

In the circular cited instructions have been issued regarding the display of name board of each Department/Public Sector Undertakings with certain specification so as to identify them easily and to avoid misuse. But recently it has come to the notice of Government that many Public Sector Undertakings, Autonomous bodies and local bodies are interested in exhibiting the name board 'KERALA STATE' instead of their name despite the clear instructions.

It is also observed that in certain vehicles the designation of officers are also displayed which is ridiculous and contrary to the existing instructions.

Certain vehicles owned by the departments do not also exhibit the name of departments. The vehicles owned by the departments can exhibit the name of the department only. The name board 'Kerala State' is meant for Ministers and those similarly assigned. Hence those departments to whom the 'Kerala State' Board is not assigned should desist from using the name board immediately.

Government therefore once again reiterate that the instructions contained in the circular (Copy appended) be strictly complied with all concerned.

The Motor Vehicles Department and the Police Department would ensure that these instructions are followed strictly.

N.V.Madhavan
Principal Secretary to Government
