

57285/2017/Phg

GOVERNMENT OF KERALA

Abstract

Local Self Government Department - MGNREGS - Revised Guidelines for the implementation in Forest Areas through Convergence - Approved - Orders issued.

LSG(DD)DEPARTMENT

G.O.(Ms)No. 218/2017/LSGD Dated,Thiruvananthapuram, 07/11/2017

Read: 1 GO (Ms) No. 126/2007/LSGD Dated 7.5.2007

2 GO (Ms) No. 214/2008/LSGD Dated 28.7.2008

3 Letter No.1926/EGS C/2014/REGS dated 23.01.2017

ORDER

Mahatma Gandhi National Rural Employment Guarantee Act is implemented in the entire State from 2008 onwards. Since the State is endowed with vast areas of degraded forests, it is desirable to carry out forest development as well as eco-restoration activities under the provisions of the Act.

2. In order to streamline the implementation of the National Rural Employment Guarantee Scheme (NREGS) in forest areas, guidelines were issued as per the Government Order read as first paper above. The existing guidelines demands revision as the Schedule I and II of the Act were amended by Government of India which enhanced the scope of permissible works under the scheme. As per the letter read above, the Mission Director(MGNREGS) submitted draft revised guidelines prepared with concerted effort of MGNREGS State Mission and Forest and Wild Life Department by including the newly permissible works that can be taken up under Mahatma Gandhi NREGA in forest areas.

3. Government have examined the matter in detail and are pleased to issue the revised guidelines for streamlining the implementation of Mahatma Gandhi NREGA in forest areas as appended to this order. The wage rate of MGNREGA shall be Rs 258/- per day for 2017-2018 and the wages approved by Central Government in this regard shall be made applicable as and when revised in future.

By order of the Governor
MINIMOL ABRAHAM
ADDITIONAL SECRETARY

Section officer.

Guideline for implementing Mahatma Gandhi NREGA in convergence with
Department of Forest and Wild Life

1. All out efforts should be taken by the District Panchayat, Block Panchayat, Grama Panchayat, DPC, Forest officials; JPC, BPO and GP Secretary that the entire forest dwellers who are interested to participate in Mahatma Gandhi NREGA works are given all out support to register with the Grama Panchayats and obtain a job card.
2. Only works in harmony with the approved Working Plan/Management Plan shall be taken up in the forest areas.
3. The Amended Schedule I & II of the Mahatma Gandhi NREGA stipulate four categories of work. The works that can be taken up in each category is as follows: -

Category A:- Public Works Relating to Natural Resources Management

i) Water Conservation

- a. Earthen Dams
- b. Check Dams
- c. Rain Water Pits
- d. Percolation Tanks
- e. Spring shed Development

ii) Watershed Management

- a. Contour Bunds
- b. Contour Trenches
- c. Boulder Checks
- d. Contour Stone wall
- e. Terracing

iii) Irrigation

- a. Renovation of drains
- b. Formation of new drains

iv) Traditional Water Bodies

- a. De-siltation of existing ponds

- b. Renovation of existing ponds
- c. Construction of new ponds

v) Afforestation

- a. Planting trees in forest areas
- b. Avenue Plantations
- c. Nursery raising

vi) Land Development

Category D: - Rural Infrastructure

i) Rural sanitation

- a. Individual Household Latrines (IHHL)
- b. Compost Pits
- c. School Toilets
- d. Anganwadi Toilets

ii) Road connectivity

- a. Up gradation of forest roads to tribal hamlets including chappath, culverts and causeway

iii) Play Grounds

- a. Anganwadi Centres (AWC)
- b. Buildings for SHGs of VSS

iv) Production of building material required for construction works under the Act as a part of the estimate of such construction works.

4. The Vana Samrakshana Samithies (VSS5) and Eco-velopment Committees (EDCs) will prepare the project/micro plan (List of works). The project/micro plans so prepared will be consolidated and sent to the Grama Panchayat through the Range Forest Officer concerned.
5. The Grama Panchayat will then place it before the Grama Sabha and after its clearance, will approve it as part of the Shelf of Project for Mahatma Gandhi NREGS.
6. Estimates of all forestry works in the micro plan under Mahatma Gandhi NREGS

will be prepared by the Range Forest Officer and sent to Grama Panchayat for issuing Administrative Sanction. For preparation of estimate on civil works in forest areas under the MNREGS, technical expertise of engineering wing under the auspices of the concerned Grama Panchayat shall be utilized.

7. Formalized FSR data applicable to Mahatma Gandhi NREGS Man/Woman Workers for Forestry works, NREGS Standardized data for Civil Works in forest areas and model estimates for civil works are appended as Annexure I and II(a) and II(b) to this order. (The model estimates are prepared in the pre-revised wage rate of Rs.240) The officers in various districts can prepare civil work estimates by using the appropriate item code applicable for the district in column 2 of the model estimate in the software provided for this purpose. Mahatma Gandhi NREGA standardized data include the data exclusively developed for MGNREGA, suitable data in the CPWD, Observed data of Kerala PWD, Irrigation etc. In case, the data for an activity is not found, the Panchayat can develop an Observed Data as per GO (Rt) No. 1640/16/LSGD Dated 10.5.2016.
8. The estimates with all details shall get sanctions through the SECURE Soft.
9. The Forest Schedule of Rates (FSR) will be applied for preparation of estimates of forestry works and Mahatma Gandhi NREGA standardized data with Local Market Rates (LMR) will be used for civil works in forest areas. The FSR will be the additional activity master for forestry works in the SECURE Soft.
10. The forest areas are classified as ordinary and difficult areas for the purpose of forestry works. This classification will be applicable to forestry works of Mahatma Gandhi NREGS also.
11. The prevailing wage rate for an unskilled Mazdoor under FSR is Rs.290 plus VDA in ordinary area and Rs.330 plus VDA in difficult area.
12. The payment of wages will be limited to Rs.258 per day which is the unskilled wage rate notified for the State for 2017-18. The unskilled wage rate notified by Government of India annually will be applicable as unskilled wage rate for each year.
13. The Grama Panchayat will accord Administrative Sanction for individual works

based on the estimate prepared by the Forest Department which is verified and scrutinized by BPO and DPC in the SECURE Soft.

14. The District Collectors will constitute Technical Committee for forestry works and civil works in forest areas at the District and Grama Panchayat level in consultation with the Divisional Forest Officers for Technical Sanction of Forestry works. The Grama Panchayat level Technical Committee for Forestry Works and civil works in forest areas will consist of Range Forest Officer (Chairperson), Deputy Range Officer, Section Forest Officer/Beat Forest Officer in charge of the respective administration unit (member convener), 2 VSS/EDC members, Tribal Extension Officer, and Accredited Engineer/Overseer of the Grama Panchayat as members. Similarly a District Level Technical Committee for Forestry Works and civil works in forest areas will be constituted with the Divisional Forest Officer of the forest area where the work is proposed as Chairman, Range Forest Officer as convener, Joint Programme Coordinator, Principal Agriculture Officer, Project Officer ITDP and Executive Engineer (Local Self Government Department) as members. The quorum of the above two technical Committees will be 2/3rd of the total members.
15. For the purpose of issuing Technical Sanction, the Committee with the Range Forest Officer as Chairman will have the financial delegation of the Panchayat level Technical Committee of works/ programmes of which Assistant Engineer is the Chairperson. Similarly the District Level Technical Committee for Forestry Works with Divisional Forest Officer as Chairman will have the delegation of powers of the DLTC subcommittee of works/programmes of which Executive Engineer is the convener.
16. Based on delegation of powers, District Level Technical Committee/ Grama Panchayat Level Technical Committee for Forestry Works and civil works in forest areas, as the case may be, will accord Technical Sanction for the estimates prepared by the Range Forest Officer. The TS document shall be entered with details in the SECURE soft.
17. Orientation training programmes on Mahatma Gandhi NREGS will be organized for VSS/EDC members
18. In order to meet the demand for works, a shelf of Project based on the micro plans/project proposed by VSS and Eco-Development Committee may be got ready.

The Panchayat and Forest Department shall ensure that Administrative Sanction and Technical Sanctions are accorded to as many works as possible to meet the full estimated demand for works.

19. The tools and implements required for the work can be brought by the workers themselves for which they are eligible for sharpening charges which will be met from the material component of Mahatma Gandhi NREGA. In case, the workers are not bringing the tools and implements, the same can be provided through the VSS/EDC. In such cases, the tools and implements shall be purchased by the Panchayat concerned, based on the requirement furnished by the Forest Department and scrutinized by the Panchayat Level Technical Committee for Forestry Works. The expenditure for the one time purchase of tools and implements may be met from the funds for General Purpose Grant, Development Funds or own funds. The tools and implements so purchased shall be handed over to the VSS/EDC. VSS/EDC would rent out the tools to the workers. The VSS/EDC may charge rent (Sharpening charges) at local rates which may be approved by the Grama Panchayat. The rent (Sharpening charges) so collected will be separately accounted for. The expenses for repairs and replacement of tools and implements would be met from the rent (Sharpening Charges) so collected.
20. The Beat Forest Officer, Section Forest Officer, Deputy Range Forest Officer and Range Forest Officer will be responsible for the immediate supervision of the forestry works. Implementation of individual projects will be supervised and monitored by VSS/EDC also.
21. Vigilance Wing of the Forest Department will inspect the works to ensure that the works are in conformity with Forest Conservation Act; Working Plans etc.
22. Measurements will be recorded by the Forest Department subordinate Officers in the measurement Book. The M- Book will be handed over to the Village Panchayat for settlement of bills and safe custody. The Beat Forest Officer of the area will record the measurements in the M Book. The Section Forest Officer/Deputy Range Forest Officer shall authenticate quality and measurements and the Range Forest Officer will check measure the work. All M Books handed over to the Panchayat will be entered in the Electronic M Book (EMB) in the MIS by the data Entry Operator of the Grama Panchayat.

23. Muster Roll for forestry works under MNREGS will be issued by the Grama Panchayat Secretary. The Muster Roll for the work will be maintained by the Beat Forest Officer and certified by the VSSI/EDC Chairperson.
24. Materials for the works will be purchased by the Grama Panchayat following the existing provisions in the GO referred as second paper above.
25. The details of estimates of forestry works and civil works in forest areas taken up under the scheme should be exhibited prominently at the Forest Range Office and Village Panchayat.
26. The VSS/EDC shall nominate a volunteer who would be responsible for onsite safe custody of the muster roll, ensuring labour out-turn, arrangement of work site facilities, distribution and collection of implements, checking proper stocking and utilization of materials and verifying payments in case there are more than 50 workers in a work site. The volunteer will also liaise with the Village Panchayat and Forest Department and sort out any operational problem. The Volunteer may be paid semi skilled wages per day for the day in which he/she actually organizes and supervises the work which should not in any case exceed the actual number of days taken for completion of work. The semi skilled wage eligible will be notified later. As far as possible preference would be given to widows, abandoned women and handicapped women in the selection of Volunteers by the VSS/EDC, for every new work a new volunteer may be deployed by the VSS/EDC.
27. In case the number of workers is less than 50, one worker whom the VSS/EDC nominates will undertake the work of the Mate. Such worker who executes the services of a Mate will not be eligible for the semi skilled wages.
28. The VSS/EDC shall have the following functions also:
 - i. Facilitating distribution of Job Cards and opening Savings Bank Accounts of workers;
 - ii. Ensuring that maximum women participate in the work;
 - iii. Ensuring that maximum Scheduled Tribes participate in the work;
 - iv. Ensuring local awareness about the work; and
 - v. Serving work related notices such as work commencement notices.
29. Work site facilities to be arranged include:
 1. Drinking Water facilities with pots and glasses;

2. First Aid boxes; and

3. Facilities for children below five years- if the number of children is five or more exclusive Ayah would be nominated by the VSS/EDC. Otherwise, the VSS/EDC volunteer in charge of the work will perform this task also.

30. The First Aid boxes shall be supplied by Panchayat to the concerned VSS/EDC. The VSS/EDC shall properly take them into stock and issue to the work site. On completion of the work, these should be taken back and reissued to the next work site as required.
31. In the case of injuries suffered by any worker as part of his/her work he/she shall be given first aid and if required, treatment at the hospital may be arranged. If hospitalization is required the cost of medicines shall be met from the non-wage component of the scheme. Also 50% of the wage rate shall be provided during the period of hospitalization as per the provisions of Clause 25, Schedule-I of NREGA.
32. Since payments have to be made every fortnight, the Panchayat concerned and Forest Department Officers shall ensure proper valuation/measurement of work well in time. Otherwise, the provisions in Para 29 of the Schedule I of the Act will attract.
33. Since there is no contractor involved there is no need for an agreement and for this reason there is no need to provide any taxes or contributions.
34. Once a forestry work or civil work is started in the forest area, the District Programme Co-ordinator and Mahatma Gandhi NREGA State Mission Director shall ensure uninterrupted flow of funds till the completion of the work, as incomplete work may harm the eco-system.
35. Joint efforts will be taken to ensure availability of job card holders for seasonal works. The Grama Panchayats will take this factor into account while preparing labour budget for Mahatma Gandhi NREGS.
36. Season specific Forestry works should be completed within a particular season. As the implementation of these works cannot be postponed, the VSS/EDC shall be

given the freedom to employ local labourers if job card holders fail to turn up for the work. In such cases the expenditure for the portion of works so executed will be met from Forest Department funds.

37. Grama Panchayat will give at least three days advance information to the VSS/EDC about the workers who are nominated for a work in the area falling under VSS/EDC.
38. The District Programme Co-ordinator, Joint Programme Co-ordinator, Block Programme Officer and Grama Panchayat concerned also can inspect Mahatma Gandhi NREGS works taken up in forest areas.
39. Forest offenders will not be engaged for jobs in forest area even if they are job card holders. Details of labor engaged under MNREGS along with physical and financial data shall be provided to the Range Forest Offices where it will be maintained for future reference.

Ordinary Area = 290 (Rate)+140(VDA) = 430
 Difficult Area = 334 (Rate)+140(VDA) = 474

Factor for Ordinary Area = 430/240 = 1.7917
 Factor for Difficult Area = 474/240 = 1.973

NREGS Wage = Rs.240/-
