

Olavakkode Range

North: Starting from the tri-junction point of boundaries of Ottappalam Taluk, Mannarkkad Taluk, and Palakkad Taluk, the boundary passes through the Taluk boundary of Palakkad Taluk towards east up to the point where the boundary of Chenat Nair Reserved Forests meets the Taluk boundary of Palakkad Taluk.

East: From the above said point the boundary passes towards south through the reserve boundary of Chenat Nair Reserve up to the point where this reserve boundary meets the Dhoni-Olavakkode road at Dhoni forest gate and thence this boundary continues towards south, through Dhoni-Olavakkode road up to Olavakkode junction. From Olavakkode junction the boundary continues towards south through Olavakkode – Puthiyapalam till it meets the Kozhikode Madras trunk road in front of Government Victoria college and thence through college road till it reaches Sulthanpet junction and thence towards Sulthanpet-Kalmandapam road up to Kalmandapam and thence through Kalmandapam Walayar road up to the Koottupatha junction and thence through Palakkad-Pollachi road up to the point where this road meets the taluk boundary of Palakkad Taluk.

South: Form the above said point; the boundary passes west through the common boundary of Palakkad-Chittur and Palakkad – Alathur Taluks till it reaches the point where the boundary between Ottappalam Taluk and Palakkad Taluk meets the Palakkad boundary.

West: From the above point, the boundary runs northwards along the common boundary of Ottappalam- Palakkad Taluk till the starting point.
