

### Ponmudi Section

**North:** A foot path starting from Uchilikuthumedu proceeding eastwards through Poopara estate crosses the manjkuzhiyar passes through kachinipara and to the south of Pottankadu and goes eastwards until it reaches the kunjithanniyar until it joins muthirapuzha river.

**East:** the state boundary from Uchilikuthumettu along the Pathinettampadymettu upto the point in state boundary which is nearest to the source of chemmannar.

**West:** The Muthirapuzha river from its junction with kunjithanniyar to its Junction with Panniar.

**South:** The Chemmannar starting from near the state boundary and running between Thalayar kavu and Udumbanchola until it joins the river Panniar until it flows into the Muthirapuzha river.
